

Update: Federated Hermes, Inc. Provides New Annual Shareholder Meeting Teleconference Information

(PITTSBURGH, Pa., April 15, 2020) — The board of directors of Federated Hermes, Inc. (NYSE: FHI), a leading global investment manager, approved a change to the format for the company's annual shareholder meeting earlier in the month. As people around the world confront the unprecedented effects of the Covid-19 virus, and in the interests of shareholders, directors, officers and employees of the company, the board decided it was prudent to change the scheduled in-person meeting to a teleconference meeting.

The teleconference will begin at 4 p.m. Eastern on Thursday, April 30, 2020. Due to a vendor's change in technology, Federated Hermes is providing updated dial-in information for the call. Shareholders interested in joining the annual meeting should do so by calling these updated numbers: 877-407-0782 (domestic) or 201-689-8567 (international). To assist in addressing shareholder questions given the change in format of the annual shareholder meeting, the company invites shareholders to submit questions in advance. If you are an FHI shareholder interested in submitting a question in advance, please send your question to investors@federatedinv.com.
